

Convenient Cleaning

Our Spot and Stain Remover Wipes are designed to tackle virtually every kind of household stain or spill, making them ideal for carpet cleaning emergencies. They are non-toxic and biodegradable, making them kind to your carpets, and the environment. The wipes are also suitable for use on fabrics and upholstery, and are perfect for removing any stubborn stains from your car's interior.

Here are just some of the nightmare stains our Spot and Stain Remover Wipes can eliminate:

- Coffee & tea stains
- Food & juice stains
- Makeup
- Grease & oil stains

Directions for Use

Before use, test wipes on a small inconspicuous area to check for any colour transfer.

Do not use on velvet type materials, brocade, crayon or those unsuitable for wet cleaning.

Remove any solids from the cleaning area, blot away excess liquid using a dry paper towel. Apply the wipe to the stained area, working from the outside towards the centre. Repeat as necessary. Dried in stains may require additional wipes. Allow the cleaning area to dry.
